THE CAN'T-MISS ANGUS EVENT...

Lawsons Chloe C815 Influenced Sale

Welcome Cattlemen

In the time we have spent assisting numerous producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the breed could and should be proud of. The goal of the sale in creating "The C815 Dynasty Sale" was to create just such an event. Thanks to the efforts of many, most especially Rust Mountain View, we feel this sale has all the makings of a "can't miss" event. As you study this sale book, it will become evident that the RVMR team bought into this philosophy and dug deep into their arsenal to offer genetic opportunities that are truly worthy of carrying the moniker, "Elite." From major league picks, pregnancies and embryo packages never offered before. The lots presented here are "the best of the best." It has been, and will continue to be, our pleasure to work with Rust Mountain View and prospective buyers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact Rust Mountain View direct or any capable member of the marketing team.

Sincerely,

The RVMR Marketing Team

THE *Dynasty* SALE

The last 12 months have been both eventful and exciting at Rust Mountain View Ranch! In an effort to bolster our elite Angus program to meet our customer's demands we recently made a major move to acquire one the most famed, storied and proven Angus females in the entire business, Lawsons Chloe C815. Naturally, we are excited about what she brings to the table based on her impeccable track record. We would like to thank the Coleman Angus team for the opportunity to purchase this female.

That said, it's hard to know where to start when describing one of the most prolific and storied donor females in the history of the breed. If your program is of the mindset alike us - we use a phrase we live by, "the proof is in the progeny" and in terms of progeny, Lawsons Chloe C815 stands in elite company in the annals of breed history. It's safe to say, the C815 donor is bred for success as measured by the scores of top selling progeny as evidence by the unthinkable appraised valuation of more than \$1,600,000 in produced revenue in merely four progeny - Coleman Triumph, Coleman Chloe 9275, Coleman Chloe 034, Coleman Chloe 9274.

Folks, the influence this legendary donor continues to express upon the breed is without parallel and we are proud that she is now a big part of the bedrock of the RMVR Angus program! That said, November 23 marks your opportunity to invest in genetic opportunities by C815. We are a honored and excited to share these genetics with our ever growing customer base - seize the moment, and invest in your program's future!
